

2016 -17 Program Reviews

Burnt Hills-Ballston Lake Central Schools

The public is invited to hear staff & committee members give major reports on the following topics at **BH-BL Board of Education meetings**.

All meetings start at 7:00 pm in the school indicated.

October 18 at the High School	High School Student Achievement Report What data and indicators do we have to indicate that BH-BL students are progressing and achieving at high levels in the high school? How is data being used for continuous improvement at the classroom, building and district levels? What new courses and programs are being implemented?
November 14 at O'Rourke Middle School	Middle School Student Achievement Report What data and indicators do we have to indicate that BH-BL students are progressing and achieving at high levels in the middle school? How is data being used for continuous improvement at the classroom, building and district levels? What other initiatives are occurring in the Middle School?
December 13 at O'Rourke Middle School	Elementary Student Achievement Report What data and indicators do we have to indicate that BH-BL elementary students are progressing and achieving at high levels in our elementary buildings? How is data being used for continuous improvement at the classroom, building and district levels? What new initiatives have been introduced in our elementary schools this past year? How are they going?
January 24 at the High School	Chief Information Officer Update The Chief Information Officer will provide an update on district procedures to comply with NYS Education Department required reporting; the implementation of the district's new student information system, eSchoolData; and data privacy in the district.
February 28 at the High School	APPR Update A new Annual Professional Performance Review process is being implemented this year. What are the components of the process? How is it being implemented?
March 28 at the High School	Community Partnerships What partnerships have been established with area businesses and post-secondary institutions? What district programs include community partnerships? How are these partnerships contributing to the district's 21 st Century Framework? What is the strategic plan to expand our community partnerships?
April 25 at O'Rourke Middle School	Elementary Report Card How are the recommendations of the Elementary Report Card Committee being implemented? What is the feedback from constituent groups about the new report card?
May 23 at the High School	World Languages How does the district's World Language program ensure that our students have a deep and enduring understanding of cultures, including their own, and to acquire functional proficiency in target language(s). What competencies of the program provide our students with the ability to view the world through multiple lenses, participate fully and responsibly in the 21st century as global citizens, and contribute to our students' college, career, and world-readiness?
June 6 at O'Rourke Middle School	Recognition of Outstanding Pupils & Retiring Staff At 6:30 pm School principals and Board members will recognize outstanding pupils from each school as well as staff who retired during the 2016-17 school year.
