

New for 2016-2017

Beat the rush and reserve one today!

A \$13 supply fee will be collected from all Middle School students for a Lands' End® cinch bag. Students will own their bag and use it each year of middle school to keep the school-issued chrome book safe. They will take the bag with them at the end of their 8th grade year.

The Lands' End® cinch bag is very durable, has a custom embroidered logo and carries the Lands' End® lifetime guarantee. A lifetime guarantee ensures that the bag can withstand its use for three years at the middle school.

We can, and suggest, that the school store the bag each summer and re-issue your child's bag to them each fall to prevent loss.

To reserve your child's bag, please print this page and submit a check payable to BHBL CSD and return to the OMS Main Office.
