**8th Grade Class Night**

To the Parents and Guardians of the BHBL Class of 2022:

It may seem a little early to be thinking about Class Night, but planning has already begun to make this a meaningful and special event for our out-going 8th graders. Class Night will begin at 6 PM in the High School gymnasium and will include the presentation of all 8<sup>th</sup> Grade awards and the recognition of all 8<sup>th</sup> grade students for the successful completion of their middle school years.

The ceremony is followed by a dance at the Middle School which will end at 10:00 PM.

♦ The O'Rourke Building Council has established the following guidelines for the Class Night program:

*In the spirit of this being a fun, but special event, we ask that the attire for the evening be dressy, but not formal.*

- Boys are reminded to wear dress pants, a dress shirt, tie and shoes, and no sneakers, if possible. Sport coats are optional.
  - Girls are asked to wear comfortable, but dressy clothing. Clothing that is *appropriate* for this occasion can include, but is not limited to: dresses with spaghetti straps, high cut halter dresses/tops, and other fashions fitting to the formality of the event. Girls should not wear low cut dresses (front and/or back), bare midriff outfits, strapless attire, mini skirts, clothing that is too tight or revealing, or anything that is see through.
  - Comfortable footwear is a must because students will not be allowed to remove their shoes during the dance.
- ♦ All school rules apply during Class Night. Therefore, all electronic devices, including cell phones and cameras, are banned from the event.

The Class Night program is a wonderful culmination of your child's experience as a middle school student. Thank you for your continued support and cooperation. If you have any questions, please contact us at your earliest possible convenience.
