

ADVISORY COMMITTEES TO THE BOARD

P2250

The Board may establish ad hoc advisory committees for special projects or to address specific problems or issues, except as otherwise specified by law. Final decisions in all matters rest with the Board, which may terminate any committees at any time.

Procedures will be established by the Board for the creation and function of advisory committees. These procedures shall include: specific charges or tasks assigned to committees, payment of committee expenses, membership of committees and procedures for dissolution of committees.

Committees shall report all suggestions and recommendations to the Board and Superintendent prior to public release. Final reports shall be delivered to the Board at a meeting scheduled by the Board to receive the report.

Any official policy-level action is the sole discretion of the Board. The Board is in no way obligated to follow committee recommendations. The Board has the right to accept, reject or modify all or any part of a committee recommendation.

COMMITTEES AND CABINETS

The Superintendent of Schools is authorized to establish such permanent or temporary cabinets or committees as he or she deems necessary for proper management of the schools and for the improvement of the educational program.
