

VOCATIONAL EDUCATION (VO TEC)

P4314

The District will contract with the Board of Cooperative Educational services (BOCES) to provide appropriate vocational education for eligible district students in vocational courses not available in the local high school including the Clean Technologies and Sustainable Industries Early College High School Program. The services offered in such a vocational education program will be provided in compliance with the Education Law and the Regulations of the Commissioner of Education. The criteria for selection will be approved by the Assistant Superintendent for Curriculum & Instruction. Budgetary considerations may limit the number of programs to which we subscribe.
