

SUMMER SCHOOL

P4331

The Board of Education may authorize a summer school to provide one or more of the following opportunities for students:

1. To repeat subjects failed.
2. To raise grades.
3. To remedy academic deficiencies.
4. To provide enrichment.
5. To determine readiness for learning.

Qualified administrators will serve as summer school principal and will be responsible for the daily operation of the summer school. The principal will report to the Assistant Superintendent for Instruction.

SUMMER SCHOOL AND CONTINUING EDUCATION

The Board of Education, in cooperation with the Superintendent of Schools, will determine if school programs outside the regular school year, such as elementary and secondary summer schools and adult continuing education, can be administered by building principals or assistant principals or whether temporary, part-time administrative assistance is necessary. The Superintendent of Schools will recommend to the Board of Education when necessary the employment of temporary administrators to manage summer school and adult continuing education programs. The Board of Education will have final authority for such appointments.

Temporary summer school and continuing education administrators will be responsible to the Assistant Superintendent for Instruction.
