

The Board of Education recognizes its responsibility in accordance with the No Child Left Behind regulations, to identify homeless children within the district, encourage their enrollment and eliminate existing barriers to their education which may exist in district practices. The Board will provide that homeless children attending the district's schools access to the same free and appropriate public education, including preschool education, as other children.

A homeless child is a child who lacks a fixed, regular, and adequate nighttime residence or who has a primary nighttime location in a public or private shelter designed to provide temporary living accommodations, or a place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings. This definition also includes a child who shares the housing of others due to loss of housing, economic hardship, or similar reason; lives in motels, hotels, or camping grounds due to the lack of alternative adequate accommodations; lives in a car, park, public space or abandoned building, substandard housing, bus or train station or similar setting; has been abandoned in a hospital or is awaiting foster care placement; or is a migratory child who qualifies as homeless.

A homeless child has the right to attend school in either the district of origin (i.e., where he/she resided before becoming homeless), the district of current location, or a district participating in a regional placement plan.

1. Admission: Upon designation, the district shall immediately admit the homeless child to school, even if the child is unable to produce records normally required for enrollment, such as previous academic records, medical records, proof of residency or other documentation and even if there is a dispute with the child's parents regarding school selection or enrollment.

Homeless children will have the same opportunity as other children to enroll in and succeed in the district's schools. They will not be placed in separate schools or programs based on their status as homeless.

2. Transportation: The district shall provide transportation for homeless students currently residing within the district as required by applicable law.
3. School Records: For homeless students attending school out of the district, the district shall, within five days of receipt of a request for records, forward a complete copy of the homeless child's records including proof of age, academic records, evaluation, immunization records and guardianship paper, if applicable.

The Superintendent shall also designate a liaison for homeless children and ensure that this person is aware of his or her responsibilities under the law. The liaison's responsibilities shall include, but not be limited to, ensuring that:

1. parents of homeless children are informed of the educational and related opportunities available to them, including transportation;
2. enrollment disputes involving homeless children are promptly mediated and resolved;
3. school personnel in coordination with shelters and social service agencies and other appropriate
