

STUDENT RELEASE PRECAUTIONS

P5162

No student may be released from school to anyone other than the parent, guardian or child protective services personnel, and law enforcement officers pursuant to law, unless the name of the individual seeking release of the student appears on a list provided by the parent or guardian.

A student may be released to either parent unless a custodial parent supplies the school principal with a certified copy of a court order or divorce decree to the contrary.

In the event of an emergency, the principal, or his/her designee, may release a student to an individual not appearing on the list provided by the parent only if the parent or guardian has been contacted by the principal and has approved the release, and the principal determines that an emergency exists.
