

FISCAL MANAGEMENT GOALS

P6000

The Board of Education recognizes excellent fiscal planning as a key factor in attaining the district's educational goals and priorities. The Board shall: engage in thorough advance planning of budgets; explore all appropriate sources of revenue; manage expenditures so as to achieve the greatest educational returns given the district's available resources; and expect the highest standards in accounting and reporting procedures.

Budget planning is a cooperative process and should involve administrative staff, professional staff, support staff, employee associations, community organizations, and the Board.
