Additional Comments (if any)

Please check this box if renting an instrument will create financial difficulties. Checking this box will grant permission for the Fine Arts Department to access Free & Reduced Lunch information to determine need.

"I understand that every effort will be made to give my child his/her first choice but realize that class size and teacher recommendation may override this request. In the event of large requests for one or more instruments at any given elementary school, an impartial lottery may be conducted to determine placement. Owning an instrument or taking private lessons prior to the school recruitment does not guarantee acceptance on that particular instrument in the BH-BL instrumental music program."
