Your Normal Retirement Date is the date on which you attain your Normal Retirement Age. You will attain your Normal Retirement Age when you reach your 55th birthday.

IN-SERVICE DISTRIBUTIONS

You can withdraw money from your account while you’re working at age 59½ or older.

HARDSHIP DISTRIBUTIONS

The Plan allows for hardship distributions. A hardship distribution may be made to satisfy certain immediate and heavy financial needs. The reasons are: expenses for medical care, amounts necessary to prevent eviction from your residence, tuition, costs directly related to the purchase of your principal residence, payments for funeral expenses, and payment of expenses for repairs to your residence. If you take a hardship distribution you will not be allowed to make employee voluntary contributions to the Plan for a period of 6 months.

PARTICIPANT LOANS

Loans from the Plan will be permitted. The minimum loan amount will be \$1,000 and the maximum loan amount will be the lesser of \$50,000 or $\frac{1}{2}$ of your vested account balance. All loan payments will be made through payroll deduction each pay period.

DISTRIBUTIONS UPON TERMINATION

If you terminate employment before your retirement age, you may take a distribution of your account balance.

If you do terminate employment, a Mandatory Distribution will be made to you if your vested balance does not exceed \$5000 and you do not make an affirmative election to either rollover or receive the distribution. If your balance is between \$1000 and \$5000, you have the right to either receive or rollover the distribution to an IRA. If your balance does not exceed \$1,000 then a lump sum distribution will be made to you.
