

7TH GRADE SUPPLY LIST 2018-19

O'Rourke Middle School

Dear Parents- In an effort to increase and maintain organizational skills in our students, we are color coding subject materials. Each subject is designated a certain color, which should be used for binders, folders, etc. If you cannot find a certain color binder, then simply get another neutral color and add a front sheet or sticker. As always, recycled items are acceptable and encouraged. We believe that this system, which is mirrored in the elementary schools and 6th grade, will help the students have a more successful year.

Physical Education

- **Attire:** Athletic shorts/sweatpants, t-shirt/sweatshirt, athletic socks and sneakers.
- **Locks:** Students are strongly encouraged to purchase locks for the locker room through the Physical Education Department. PE Teachers will have the ability to assist a student with opening his/her lock (forgot combination, emergency, etc.) if the lock is purchased through the PE Dept. The cost is \$5.00 for a new lock with free replacements (checks can be made payable to: BH-BL CSD).

Students will be required to use a drawstring-style cinch bag to carry their school-issued chromebook computer. Many families have already purchased a cinch bag from the middle school. If you have not done so, your student may purchase a cinch bag in September for \$10. Checks should be made payable to: BH-BL CSD. Previously purchased bags will remain at school over the summer and will be reissued in September.

Note: Other items may be requested by a teacher in the course of the school year.
