

CURRICULUM

P4300

The curriculum will be flexible and will be continually reviewed and evaluated in reference to the changing needs of the students, community, country, and educational practice.

The Assistant Superintendent for Instruction, working with the K-12 Curriculum Committees, will be responsible for the development and revision of the school curriculum. Building Councils will present any curricular changes to the K-12 Curriculum Committee for review prior to submission to the Assistant Superintendent for approval.

Reviewed March 2012

Renumbered from P6200 – September 2015
