

NAMING FACILITIES

P7500

The Board of Education is responsible for naming or renaming any new or existing facility. The Board, at its discretion, may establish procedures for the naming of any building or other district facility. In selecting a name for any facility, the Board may take into account any relevant considerations, including but not limited to those listed below. Suitable building plaques or other memorials may also be authorized by the Board.

The Board may use the following criteria in naming or renaming a school facility:

- Long-standing service to the district.
- Outstanding contribution to school or district.
- Significant contribution to the education of youth.
- Exemplary record of service.
- Extraordinary educator.
- Significant accomplishment in the profession locally or on the state or national level.
- Local or National prominence.
- Service on the Board of Education.

Residents and/or employees of the district may nominate a person or persons for recognition by submitting a written proposal to the Board President. The proposal must include clear justification for the recognition.
