

## **USE OF SEAT BELTS ON SCHOOL BUS VEHICLES**

**P8414.7**

1. School Bus Drivers are required to fasten their seat belts.
2. All children under four who are passengers on a school bus must be restrained in a federally approved child restraining device.
3. A federally approved child restraining device must be used for any special education student when mandated by his/her IEP.
4. The school district will follow state regulations concerning use of seat belts and instruction on their use.

Revised September 2008

Renumbered from P7350 - June 2015
