

PHYSICAL EXAMINATION

P9310

A physical examination including a chest X-ray or tuberculin skin test is required for all employees new to this District. Such a physical will be provided by the school physician, or if the teacher prefers, an examination by his/her own physician on a form provided by the district. The district will reimburse the employee up to \$38.50 with validated receipts submitted to the Human Resources Department for out of pocket expenses. The district reserves the right to have the school physician examine any employee at the discretion of the Superintendent of Schools.

PHYSICAL EXAMINATION

The Board of Education will require all support staff employees to have a physical examination, including a chest x-ray or a tuberculin skin test, before appointment to their positions.

Further, the Board of Education will require all bus drivers to have a physical examination within two weeks prior to the beginning of service in each school year. This examination will include a chest x-ray or a tuberculin skin test.

The Board of Education also will require all cafeteria workers to have a physical examination prior to the beginning of work each year. This examination will include a chest x-ray or a tuberculin skin test.

Such a physical will be provided by the school physician. If the employee prefers an examination by her/his own physician, the district will reimburse the employee for actual expense up to the amount charged by the school physician for a school employee physical. The district reserves the right to have the school physician examine an employee at the discretion of the Superintendent of Schools.
