

Rhythm & Hues News!

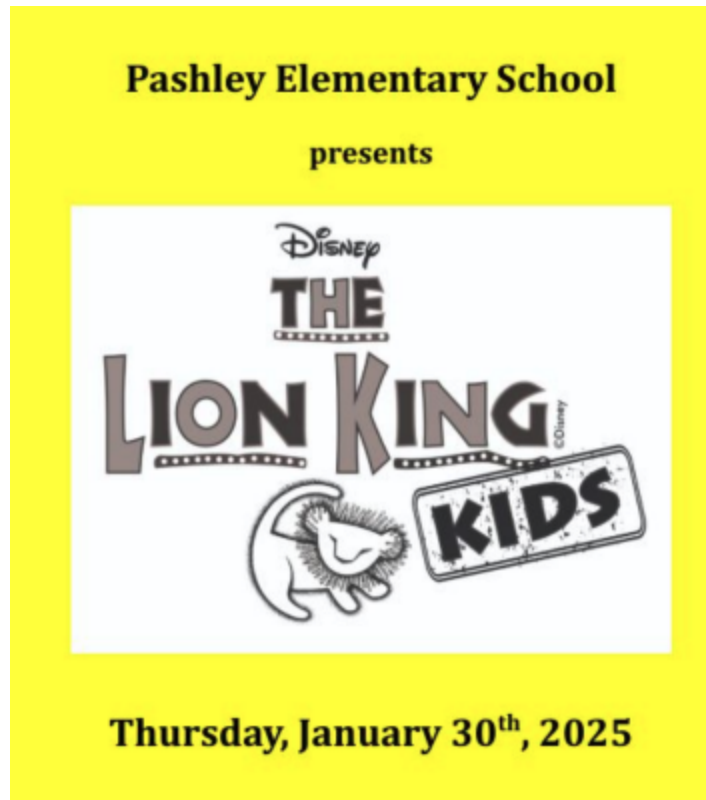

The Department of Fine Arts is proud to share some of its most recent accomplishments and future exciting events!

ELEMENTARY THEATER PROGRAMS

Charlton Heights students performed *Frozen Jr.* in early December. The show was incredible, as always! Approximately 70 Students worked hard to make this production a success in front of and behind the curtain!

Pashley performed another impressive show January 30th. They had 42 hard-working students working together on this magical production of *The Lion King Kids*!

We're looking forward to Stevens Elementary's performance of *Aladdin Kids* in May

Visiting A Cappella groups

Ithacappella and A Sharp Arrangement visited the High School in December
Ithacappella is Ithaca College's only all male-identifying a cappella group. They came to Burnt Hills to share their love of music and inspire our young singers.

A Sharp Arrangement is SUNY Potsdam's only student-run all-treble a cappella group. They explore the area of treble a cappella music through a variety of musical styles.

Both groups support music education in schools and aim to more actively engage students in music. Our choral students enjoyed working with both groups and then attending the concerts at the end of the day. BHBL has alumni in both groups, and it was so nice to see them again!

BHBL Hosted the the Suburban Council Music Festival 1/24 & 1/25

[What is this and what does hosting mean \(click here\)?](#)
